

Ready for discharge?

Did you know Friendship at Home supports patients to get settled back in their own home once they are ready to be discharged. We will also provide a free wellbeing check within 7 days.

What we can do:

- Transport home.
- Assistance with essential shopping, heating etc. to maximize comfort at home.
- Organise a free Carelink telecare monitor for up to 6 weeks for that added peace of mind and security.
- Provide a free wellbeing check within 7 days and refer to appropriate agencies for ongoing support if needed.

Criteria:

- Patient must reside in North East Lincolnshire.
- For transport, patient must be able to get in and out of a small car without any problems.
- Patient must be suitably dressed with appropriate footwear.
- Medication if needed must be ready to go with the patient.
- Personal care must be pre-organised if required.

Monday to Friday 8am to 7pm.
Saturday 8am to 12 midday.
